PROFESSIONAL SUMMARY

Business Intelligence and Junior Data Analyst skilled in Power BI, Tableau, SQL, Excel, and Python. Experienced in data cleaning, dashboard development, KPI reporting, and transforming data into actionable business insights.

TECHNICAL SKILLS

BI & Visualization: Power BI, Tableau

Database & Querying: SQL (Joins, Aggregations, Subqueries, Data Modeling)

Data Analysis & Reporting: MS Excel (Pivot Tables, Advanced Formulas, VBA)

Programming: Python (Pandas, NumPy, Matplotlib)

Core Skills: Data Cleaning, EDA, KPI Tracking, Dashboard Development, Statistical Analysis, Data Visualization, Insight Communication

INTERNSHIP EXPERIENCE

Data Analytics Intern – IIM Skills

- Analyzed traffic datasets using SQL and Power BI to clean, structure, and visualize congestion trends through interactive dashboards.
- Applied Python and K-Means clustering to perform mall customer segmentation and identify behavioral patterns.

PROJECT EXPERIENCE

Sales & Relational Database Dashboard (SQL + Power BI)

- Designed relational data model and developed interactive dashboard to monitor revenue, sales trends, and KPIs.

HR Analytics – Employee Attrition (Power BI)

- Built dashboard to analyze employee attrition drivers and workforce performance metrics.

Retail Sales Trend Analysis (Python + Power BI)

- Performed seasonal trend analysis and visualized demand patterns using data-driven dashboards.

Tableau Dashboards (COVID-19 & Netflix Analysis)

- Created interactive dashboards analyzing global trends and content distribution insights.

Sales Performance Dashboard (Excel)

- Developed KPI dashboard using Pivot Tables, advanced formulas, and reporting metrics.

EDUCATION

Bachelor of Computer Applications (BCA)

KVVS College of Science & Technology, University of Kerala | 2025 | CGPA: 7.42/10

Diploma in Computer Applications (DCA)

IT Park, Kerala State Rutronix | 2023 | First Class with Distinction

CERTIFICATIONS

- Data Analytics Master Course 2.0 – IIM Skills | 2025
- Tata Group Data Visualisation Virtual Experience Program-Forage | 2026
