PROFESSIONAL SUMMARY

Business Intelligence and Junior Data Analyst with hands-on experience in Power BI, Tableau, SQL, Excel, and Python. Experienced in building interactive dashboards, performing data cleaning, and delivering KPI-driven insights. Strong foundation in data visualization, relational data modeling, and exploratory data analysis.

TECHNICAL SKILLS

Business Intelligence Tools: Power BI, Tableau

Database & Querying: SQL (Joins, Aggregations, Subqueries, Data Modeling)

Data Analysis & Reporting: MS Excel (Pivot Tables, Advanced Formulas, VBA)

Programming: Python (Pandas, NumPy, Matplotlib)

Core Competencies: Data Cleaning, Exploratory Data Analysis, Statistical Analysis, Dashboard Development, KPI Reporting, Data Visualization

INTERNSHIP EXPERIENCE

Data Analytics Intern – IIM Skills

• Conducted **Traffic data analysis** using **SQL** and **Power BI** to clean and structure datasets and develop interactive dashboards visualizing traffic flow and congestion patterns.
• Performed **Mall customer data** analysis using **Python**, applying K-Means clustering to segment customers and identify behavioral patterns.

PROJECT EXPERIENCE

Sales & Relational Database Dashboard (SQL + Power BI)
• Designed relational data model and built interactive dashboard to track revenue, sales trends, and KPIs.

HR Analytics – Employee Attrition (Power BI)
• Developed interactive dashboard to analyze attrition drivers and employee performance metrics.

Retail Sales Trend Analysis (Python + Power BI)
• Performed seasonal trend analysis and visualized demand patterns using dashboards.

Tableau Dashboards (COVID-19 & Netflix Analysis)
• Created interactive dashboards analyzing global trends and content distribution insights.

Sales Performance Dashboard (Excel)
• Built KPI-based dashboard using Pivot Tables and advanced formulas.

EDUCATION

Bachelor of Computer Applications (BCA)
KVVS College of Science & Technology, Affiliated to University of Kerala| 2025 | CGPA: 7.42/10

Diploma in Computer Applications (DCA)
IT Park, Kerala State Rutronix | 2023 | First Class with Distinction

CERTIFICATION

Data Analytics Master Course 2.0 – IIM Skills (2025)
